In accordance with promulgated policy of the ARWLHC all newly suggested Board of Advisors are placed on probation status for six months of observation. After such time they are forwarded to recommended status for one year of furthered observation. At the end of such 18 month period the individual forwards a thesis on why they seek to be nominated for office and such is circulated to all Board of Advisors for review and discussion in accordance with Roberts Rules of Order.

Major Patrick Ferguson's death at Kings Mountain
