THEMEPARK ANNOUNCED IN CLEVELAND COUNTY, NORTH CAROLINA**

March 11, 2009

(Grover, NC) – A first in American history was announced Tuesday - during a press conference held at the Inn of the Patriots Bed and Breakfast Hotel located in Grover, NC. Reporters from WSOC ABC TV, Headline News Cable 33 a CNN affiliate and Kings Mountain Today lined up with writers from the Shelby Star and Gaston Gazette as well as numerous others to hear presentations on the **American Revolutionary War Living History Center**. The new resort and theme park will draw up to one million fresh visitors per year, feature cannons, dueling with sabers, trials, live battles with the British, painting, music, weaving, blacksmithing and horsemen charging across the foothills at a full gallop towards war with sabers drawn. Modern, full luxury accommodations will be provided complete with Jacuzzi rooms and king sized beds.

“The unique aspect of our resort is that you can live inside it for a week, a day or year-round. You can also dress in our costume department and command armies on the battlefield to make and execute war - as a Private or General. Should you lose the days battles – you may have to dine across the table that night with your opponent – who paid to be the opposing General,” stated Martin CJ Mongiello, Executive Director. “Bellus Tu Spa will expand its spa chain once again,” mentioned Manager, Robbie Mancuso. “It’s about time in history that something like this happened around here,” stated Colonel Cleaveland look-alike and senior reenactor of the Back Country Militia, Paul Derosiers. “We are most thankful for all of the help we receive from our friend at Kings Mountain National Military Park, Superintendent Erin Broadbent,” exclaimed Mongiello.
